IFS Insurance Solutions is a leading provider of risk and insurance services to the not-for-profit sector.

Get the insurance coverage that's right for your organisation.

Getting insurance directly through an insurer usually means that you get the insurance that the insurer has to offer – not necessarily the insurance that your organisation needs.

As a leading insurance broking and consulting firm, IFS Insurance Solutions works for your organisation. Our strong market experience combined with our client advocacy focus ensures a tailored insurance programme for your organisation that is highly competitive.

We've got you covered

We can help your Mutual get the right insurance cover.

The buying power to get you the best deal

When you're trying to get the products you need at a fair price, it makes a big difference if you've got buying power to leverage the best possible deal.

IFS Insurance Solutions gives you that power. We deliver insurance services for not-for-profit organisations covering millions of members and billions of dollars in assets. When we go in to negotiate insurance deals on your behalf, we do it with a strength that gets results.

We are aligned with Mutuals

“IFS Insurance Solutions is committed to partnering with Mutuals that share our values – organisations established for the benefit of their members.

This combined with our extensive experience gained from working with industry superannuation funds and other financial institutions makes us the perfect insurance & risk partner for your Mutual.”

Does your organisation have...

- › Adequate protection for directors and officers?
- › Tailored insurance policies to meet your needs?
- › Access to a broad range of insurers?
- › Access to the right insurance advice and solutions?
- › Market leading insurance programs to benefit your members & customers?
- › Insurance through a company with a “value for members” focus?
