

# CORPORATE INSURANCE MADE FOR MUTUALS

Insurance forms an integral part of an authorised deposit-taking institutions' ability to manage operational risk events.

APRA requires that prudence and good practice be applied to all aspects of risk management – this includes your organisation's insurance program.

**As the risk environment evolves, it is important that your organisation's insurance program reflects the latest regulatory requirements and risk exposures?**

**IFS Insurance Solutions**, as a specialist financial institutions insurance broker, can help with:

- Directors & Officers Liability
- Professional Indemnity
- Crime/Bankers Bond Insurance
- Mortgage Impairment
- Cyber & Privacy Risks
- Public Liability & Property Insurance
- All general and life insurance policies

## Better Results

We have a highly qualified and experienced team with who can guide you through the renewal process and:

1. Understand the risks you face
2. Achieve highly competitive premiums
3. Market leading coverage tailored to your needs

## How our specialist brokers can help?

- Understand your regulatory, prudential and legal requirements
- Demonstrate good practice by utilising an independent adviser
- Create independence and competition – by not being tied to one insurer
- Save you money:
  - Negotiate competitive premiums
  - By understanding your coverage needs – you only pay for what you need

## Free Risk and Insurance Review

We can review your current risk and insurance needs and help evidence the scope of your current cover.

## Get a Quote

We have relationships with insurers in Australia and at Lloyds of London who are ready to provide competing quotes for mutuals.
